  - A. Dan Youngblood, 1315 S. Quincy, is requesting a four way stop at the intersection of W. 14<sup>th</sup> Street and S. Quincy Avenue. This request was tabled from the prior meeting so staff could collect additional.  
  
Staff has not been able to collect the additional information and recommends the Commission table the request.
- V. New Business
  - A. Gary Blake, 3257 Cunningham Drive, is requesting the stop signs be removed from Clarendon Rd. at Southwest Blvd. changing this intersection to a two way stop, stopping Southwest Blvd. only. The stop signs are not needed and interrupt the flow of traffic on Clarendon Rd.  
  
Staff recommendation: Staff recommends the Commission deny the request. The Katy Trail Crosswalk is less than 200 feet away from this intersection. Also Southwest Blvd. has significant traffic use as it runs all the way through Southwest Village subdivision.
