

Fall Clean-Up Week - October 24 - 27

Time to clear out the clutter! The City of Sedalia will hold its annual Fall Clean-up Week October 24 - 27. During clean-up week, residents can discard large, unwanted items not normally picked up with trash collection. Please note that brush, rocks, building materials, leaves, grass, tires, batteries, or any hazardous materials may NOT be discarded as a part of clean-up week. Brush, grass and other yard waste may be brought to the City's Yard Waste Drop Off site at 28th Street and New York Avenue.

City trucks will follow the refuse trucks on their normal pick-up routes only. Please note that unwanted items must be placed in the same location as items for regular refuse collection and that items for pick-up should be placed out only on your regularly scheduled collection day.
